FORTIETH GENERAL ELECTION

1985

**REPORT OF THE
CHIEF ELECTORAL OFFICER**

(Pursuant to Section 168 of the Newfoundland Election Act)

PREFATORY NOTES

The thirty-ninth General Assembly of the Province of Newfoundland was dissolved on March 11, 1985. WRITS ordering a PROVINCIAL GENERAL ELECTION were issued on the same day to each of the fifty-two Returning Officers for the fifty-two Electoral Districts in the Province. Polling Day was April 2, 1985.

The Nomination of Candidates concluded on March 23, 1985. There were 158 candidates nominated: 52 Liberals, 52 Progressive Conservatives, 49 New Democrats, and 5 Independents.

A new Official List of Electors, prepared in February and March, 1985, was used to conduct the General Election.

The 1984 Amendments to the House of Assembly Act came into force on March 11, 1985 and altered the boundaries of twenty Provincial Electoral Districts. These Districts were Baie Verte-White Bay, Bellevue, Conception Bay South, Harbour Main, Humber East, Humber Valley, Kilbride, Mount Pearl, Mount Scio-Bell Island, Placentia, Pleasantville, St. Barbe, St. John's Centre, St. John's East, St. John's East Extern, St. John's North, St. John's South, St. John's West, Strait of Belle Isle, and Waterford-Kenmount.

Because of these sweeping changes this report includes descriptions of Polling Divisions for all larger population centres in the Province. Details related to boundary descriptions have also been added in an effort to make this publication as succinct and clear as possible.

There were four Judicial Recounts conducted following the General Election. Three were heard in the Supreme Court in Corner Brook; one in the Supreme Court in St. John's. The Districts concerned were Bay of Islands, Grand Falls, Humber West, and St. Barbe. There were no electoral changes as a result of these Recounts.

Because the Election Act does not recognize Political Parties, and this report would be of little interest without some reference to the results of the General Election expressed in terms of Political Party performance, we have checked with the leaders of the various parties and have added party affiliation for your information.

Finally the work of Enumerators and Election Officers in the 1985 Enumeration and General Election was faithfully and competently performed. I wish to publically thank these participants sincerely.

Dermot F. Whelan
Chief Electoral Officer

October 22, 1985
