Notes:

District expenditure limits are calculated by multiplying the number of registered voters in a district by an expense factor for 2025 (\$5.632 per voter). An individual district limit cannot be set at less than \$21,685 as per section 310(3) of the Elections Act, 1991.

A registered party's campaign expense limit is calculated by multiplying the expense factor for 2025 by the number of persons on the revised list of electors in each of the districts in which the party has a candidate.

A registered party contesting all 40 districts would have a campaign expenditure limit of : \$2,141,551.00.
