INTRODUCTION

This report summarizes the financial activities of the Liberal Party, the New Democratic Party, and the Progressive Conservative Party for the period January 1, 2018 to December 31, 2018.

Elections NL has completed a review of the financial statements and supporting schedules submitted by the above political parties. The Chief Electoral Officer has certified that these statements have met the requirements of the **Elections Act, 1991** ('the Act') based upon the review.

ANNUAL FINANCIAL STATEMENTS

The three political parties registered with Elections NL at the beginning of the 2018 calendar year have filed the required audited financial statements and supporting schedules pertaining to 2018.

Registered political parties are required to report their financial affairs in the form of an annual filing of audited financial statements along with supporting schedules as prescribed by Elections NL. **Appendix A** to this report presents a summary of the annual financial statement information provided by the parties for the 2018 fiscal year.

FINANCIAL STATEMENT FILINGS

The deadline for filing of the annual Political Party statements is legislatively set at April 1 of the year following the year to which they relate.

The Liberal Party and the New Democratic Party filed their financial information by the April 1, 2019 deadline. The Progressive Conservative Party filed a portion of their financial information by the April 1, 2019 deadline. Their audited financial statements were filed with this office on April 10, 2019. After reviewing the circumstances it was determined that neither involved willful intent or neglect on the part of the Chief Financial Officer for the Progressive Conservative Party.

POLITICAL CONTRIBUTIONS

Registered political parties must file with their annual financial statements a listing of contributions received ***in the year*** that either individually, or in sum, exceeds \$100 together with the name and address of the contributor(s).

Appendix B to this report contains a comprehensive listing of contributions to the reporting parties made during the year. This includes funds raised by local district associations and transferred to the political parties during the year. Treatment of these funds is the same as if the contribution was made directly to the party.

OTHER ELECTION FINANCE MATTERS

Financial Statements and Financial Statement Supporting Documents

The Progressive Conservative Party held a 'Leadership Convention' during 2018. Donation receipts for this event were not issued to individuals that attended the convention. The Party has been advised to send donation receipts to those individuals. These individuals have been included as donors in the appendix to this report for 2018 as the event occurred in the calendar year. These donations are marked with an asterisk (*) in **Appendix B** of this report.

The filings that were received by all political parties for 2018 were markedly improved from the details that were provided for 2017. Documentation from the political parties clearly identified receipt numbers, associated receipts to fundraising events, and generally matched with the information provided through the financial schedules.

Filings from the political parties are posted to Elections NL website in an 'as-filed' state when received from the parties. After these filings are received from Elections NL they are reviewed for accuracy and to ensure that the financial affairs of the political party are in compliance with the Act. Elections NL works with the data received from the political parties, but also works with the CFOs from each party to resolve questions that arise from the review of the data. The process to get as-filed statements compiled and posted to the Elections NL website takes several weeks to complete.

The review of the 2018 data was delayed this year due to the timing of the 2019 General Election and subsequent filing of the candidate's 2019 General Election reports. The 2018 files were completely filed seven days before the writ of 2019 General Election was issued. Both Elections NL and political party resources were fully engaged during this time. Subsequent to the election, filings were received from candidates to report their financial activities. Candidates are eligible for subsidies of their election expenditures, so Elections NL determined that the 2018 review of political parties would be deferred until candidate files were reviewed. The review of the 2018 filing does not impact any funding of the political parties, whereas delaying the candidate reviews to complete the 2018 filing would have added a significant delay to the payment of candidate subsidies.
